Good Afternoon Gentlemen,

Attached you will find the logs I believe you were looking for.

Email 3. Is the email from his Linn County account to his Personal account.

Email 3 Attachment. Is the attachment that we will find matches the file from the scanner to the email account.

Email 2. Is the piece of evidence from the Linn County Scanner to Joel's Linn County email. The time stamp from the scanner is exactly one hour off from the other evidence but is likely due to daylight savings time.

Email 2 attachment. Is the file in question.

Email 1. Is an email from Joel's website to his Linn County email containing the file in question.

Thanks,

Ron Jurkowski
